Summary

Data Science & Machine Learning professional with strong expertise in data analysis, statistical Modeling, and machine learning algorithms. Proficient in Python, SQL, Pandas, Numpy, with hands on experience in building predictive models and deriving actionable insights. Skilled in data visualization and dashboard creation using Power BI and Excel. Adept at problem-solving, analytical thinking, and team collaboration, with a passion for transforming data into impactful business decisions.

Certifications

- **Data Science and Machine Learning–IllinoisTech,US Oct2025-May2025**
- **Data Science and Machine Learning– Entri Elevate Oct2025- May2025**

· Covered topics including data analysis, data visualization,statistical modeling, and machine learning algorithms.

· Developed projects demonstrating practical applications of machine learning in various domains .

Projects:

Excel Data transformation and Data Modeling
GitHubLink

· Developed and fine-tuned new languages using Advanced AI-Data analyst excel along with PowerBi Data transformation and Data Modeling .

Excel Data visualization

Capstones Project -AI-Healthcare Data insights and Dashboarding Project.

· Designed an interactive Healthcare analytics dashboard in PowerBI using data from Excel to visualize key metrics such as Patient Recovery,count of Diseases.

PowerBi Assignment-DAX Function,Data visualization .

Mini Project

Healthcare Hospitalisation Data Analystics Dashboard Report .

Skills:

· Programming & Databases: Python (Pandas, NumPy, Matplotlib, Seaborn), SQL, MySQL. · Machine learning: Linear& Logistic Regression, Decision Trees, Random Forest.

· Visualization Tools: Power BI, Excel (Pivot Tables, Charts, VLOOKUP).

· Analytics Concepts: Hypothesis Testing, Exploratory Data Analysis (EDA), Data Cleaning&Data Pre processing, Statistical Analysis, Dashboard Development

· Tools: Jupyter Notebook, Google Colab.

· Soft Skills:Strong Communication , Problem Solving ,Time Management.

Education:

Bachelor of Computer Science (BSC) Anna Adarsh College for Women,

University of Madras

ACADEMIC ACHIEVEMENTS

- *General Proficiency certificates in C,C++*
- *General proficiency certificates in DBMS*
- *General proficiency certificates in Statistics.*

PREVIOUS ORGANISATION EXPERIENCES:

Ø Worked in TVS Sundaram motors from February 22nd 2021 till December 2023.

Ø Designated as Senior service desk coordinator from IT Infra Operations and services Infra for CSS Group (client support services group).
